

As some local folk may say ...

“Safe in the sanctuary of
The Quicken Tree where Fillongley still stands”

The enchanted house of the Quicken Tree, stood in protection of Old Fillongley Hall – offering security and peace to all who remained within. The tree was said to have magical healing properties and provided a place of safety to all.

Today, our modern “Quicken Tree” Bar & Grill, lives up to its name and heritage, offering a warm and inviting place of peace and sanctuary in the rolling Warwickshire countryside.

Our chef puts to great use the Quicken Trees magical element of fire – creating fabulous feasts that will delight and amaze you.

Welcome, relax and enjoy the dining experience
of the Quicken Tree
